

FLEXA-GENX™

bio-transformational nutrition

Code: X1005

Life today puts a tremendous amount of stress on every part of the body, including joints. One ingredient is not enough to fully support and maintain your active lifestyle.

Flexa-GENX™ is a breakthrough formula that supports your body's joint health. We combine the best nutrients into a synergistic formula designed to get results.

Consistently taking **Flexa-GENX™** is a great way to support an active lifestyle and help you move easily and freely throughout the day and night.

PRODUCT INFORMATION

Glucosamine Sulfate is a compound that exists in healthy cartilage. It is an important component in the body's ability to make proteoglycans and glycosaminoglycans which are compounds of cartilage. Sufficient levels are important to support the body's natural repair process.

Chondroitin Sulfate blend with proteins to make proteoglycans, which are essential to all connective tissue in the body, such as cartilage, ligaments and tendons.

Shark Cartilage is a connective tissue composed of mucopolysaccharides, proteins, calcium, sulfur and collagen. It has been a popular ingredient in many joint health products since the 90's because of the many benefits.

New Zealand Green Lipped Sea Mussel is a rich source of glycosaminoglycans, omega 3 fatty acids and protein. It supports healthy joints.

MSM (methylsufonylmethane) is a necessary mineral used by the body. It is often called the "beauty mineral," because of its impact on skin. MSM also promotes healthy joints.

Proprietary Blend: Combining these powerful nutrients with Alfalfa, Cetyl Myristoleate, Yucca, Devil's Claw, and select vitamins and minerals is the key to the synergistic effect **Flexa-GENX™** delivers.

Flexa-GENX™ takes the guess work out of which joint health nutrients to take. Our experts carefully selected this complete blend of ingredients to produce a great product that gets results!

DIRECTIONS FOR USE

Take 2 tablets daily, or as directed by a health care professional, with 8 ounces of water or juice.

WARNING

FOR ADULT USE ONLY! Always consult your health care professional before taking any dietary supplement. Do not exceed recommended dose. Not for pregnant or nursing mothers.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, prevent, treat, or cure any disease.
